## Book and pay by phone now on 0121 444 1110

Upon receipt of your application, by post or phone, we will contact you to discuss your enrolment. All applicants are personally interviewed, on an informal basis, either by phone, or face-to-face, prior to acceptance. Your payment will only be processed after this interview. All fees are refundable or transfer to alternative course dates offered, provided that a clear 30 days notice is given.

We constantly seek to improve and update the quality and content of our training courses. We therefore reserve the right to change our syllabuses and course structures. We also reserve the option, on rare occasions to change trainers, dates and training venues. If this does happen, and in all events, we guarantee to maintain the quality and value of our training. Nothing in our prospectus or this document forms a contract. Photographic, audio and video recordings of our courses are not allowed. Although our policy is one of open access, we reserve the right to refuse any course application at our discretion and to terminate the training of any student whose conduct is deemed offensive/disruptive. Details of course timings, directions, pre-course reading material and recommended reading list will be sent to you with your receipt. For any help/advice please don't hesitate to call us.

### Intensive One to One Training

A very small number of places, for each course, are available for those with time constraints or who wish to qualify through an intensive, one to one, trainer/student or micro-group route. The number of hours of attendance can be significantly reduced and the qualification attained in a considerably shorter timeframe. If you feel this is for you please ask us for details.

### Distance Learning Option

All courses are available to study through, fully tutor supported, distance/on-line learning with DVD/CD resources. Distance learning courses may be linked to short, intensive attendance training courses to meet the requirements of individual learners. Students learn at their own pace and receive personal tutorials, assignments and supervision. Please call us to arrange for an informal tutor discussion.

# Professional Practitioner Progr

2009/2010 programme – weekday and weekend courses – You ca

To gain the Hypnotherapy Practitioner Diploma (HPD) requires completion of all four courses (each of five days) in any order. The HPD can be taken entirely as a weekend course (ten weekends) over one year. Alternatively you may choose to attend entirely on weekdays and, by so doing, qualify more quickly. So you are free to study at your own pace and even mix and match some weekend training and some weekday. Please see our full prospectus for more information.

# Mind Wide Open

Mind Wide Open is our one day, foundation/introductory course in Hypnotherapy, Coaching and NLP. Participants will experience going into hypnosis themselves as well as learning how to take someone else safely and easily in and out of hypnosis. You will also learn an NLP model for rapid change as well as some Life Coaching skills. The day is a highly practical and fun way to learn and an ideal (low cost) taster if you are considering the other courses.
